

A large, glowing eye dominates the center of the image, set against a dark, swirling background. The eye is composed of several concentric layers, each radiating light in shades of yellow, orange, and red. The iris is depicted as a complex network of lines and patterns, resembling a stylized sunburst or a detailed architectural drawing. The pupil is a bright, intense white light at the very center. Below the eye, the text "LAUNCHES ON" is visible in a faint, glowing font.
